About Cambridge Industrial Trust

Cambridge Industrial Trust (“CIT”), publicly listed on the Singapore Exchange Securities Trading Limited since 25 July 2006, is Singapore’s first independent industrial real estate investment trust (“REIT”).

CIT invests in quality income-producing industrial properties and has a diversified portfolio of 49 properties located across Singapore, with a total gross floor area of approximately 8.4 million sq ft and a property value of S\$1.35 billion as at 31 December 2016. The properties range from logistics, warehousing, light industrial, general industrial, a car showroom and a workshop to a business park, and are located close to major transportation hubs and key industrial zones island-wide.

The Manager’s objective is to provide Unitholders with a stable and secure income stream through the successful implementation of the following strategies:

- Acquisition of value-enhancing properties;
- Pro-active asset management;
- Divestment of non-core properties; and
- Prudent capital and risk management.

Cambridge Industrial Trust Management Limited, the Manager of CIT, is owned by two stakeholders, namely, e-Shang Redwood Limited (“ESR”) (indirectly 80 percent) and Mitsui & Co., Ltd (“Mitsui”) (20 percent):

- ESR is a leading pan-Asia logistics real estate developer, owner and operator focused on the key metropolitan areas most closely tied with consumption and global trade. Co-founded by Warburg Pincus and backed by some of the world’s preeminent investors including APG, PGGM, CPPIB, Ping An, Morgan Stanley and Goldman Sachs, ESR’s platform represents one of the largest in the region with over 7.3 million square metres of projects owned and under development across China, Japan and South Korea, and capital and funds management offices in Hong Kong and Singapore. ESR is one of the largest third-party landlords for market leading top e-commerce companies, “bricks-and-mortar” retailers, third party logistics providers and cold storage companies across the region.
- Mitsui is one of the largest corporate conglomerates in Japan and listed on the Tokyo Stock Exchange. It is one of the largest publicly traded companies in the world. Mitsui also developed the Japan Logistics Fund Inc., a publicly listed REIT in Japan dedicated to investing in distribution facilities.
