SGX Release

CLARIFICATION OF CURRENT CITM INTENTIONS

Singapore, 19 November 2009: The board of directors (“**Board**”) of Cambridge Industrial Trust Management Limited (“**CITM**”), the manager of the Cambridge Industrial Trust (“**CIT**”), refers to all previous announcements, press articles and other media releases regarding:

- (a) the AIMS recapitalisation proposal for MacarthurCook Industrial REIT (“**MI-REIT**”);
- (b) CIT’s voting intentions at the EGM of MI-REIT unitholders convened for 23 November 2009 (“**MI-REIT EGM**”); and
- (c) the requisition served by CITM on MacarthurCook Investment Managers (Asia) Limited (“**MIM**”) on 16 November 2009 requiring it to convene a meeting of MI-REIT to remove MIM as manager.

CITM confirms that:

- CIT will vote all of its 9.76% stake in MI-REIT **against** all resolutions proposed by MIM to effect the AIMS recapitalisation proposal at the MI-REIT EGM;
- CITM is in the process of finalising refinance and equity solutions to address the problems confronting MI-REIT whilst preserving the value in that REIT for existing unitholders; and
- CITM is encouraged by the strong response it has received from MI-REIT unitholders supporting its initiative to date.

The Board confirms that it has no current intention to make an offer (including via a trust scheme) to effect a merger between CIT and MI-REIT.

As CITM has now announced that it has no current intention to make an offer (including via a trust scheme) for MI-REIT, it notes that Rule 33.1(b) of the Singapore Code on Take-overs and Mergers requires that CITM and / or any of its concert parties do not, unless prior approval of the Securities Industry Council (“**SIC**”) is obtained, within 6 months of the date of this announcement:

- (i) announce an offer or possible offer (in both cases including via a trust scheme) for MI-REIT;
or
- (ii) acquire any voting rights of MI-REIT if CIT or persons acting in concert with it would thereby become obliged under Rule 14 of the Code to make an offer for MI-REIT.

The directors of CITM (including any director who may have delegated detailed supervision of this Announcement) have taken all reasonable care to ensure that the facts stated and opinions expressed in this Announcement are fair and accurate and that no material facts have been omitted from this Announcement, and they jointly and severally accept responsibility accordingly. Where any information has been extracted from published or publicly available sources (including, for the avoidance of doubt, any information relating to MI-REIT), the sole responsibility of the directors of CITM has been to ensure through reasonable enquiries that such information is accurately extracted from such sources or, as the case may be, reflected or reproduced in this Announcement.

About Cambridge Industrial Trust

Cambridge Industrial Trust ("CIT"), publicly listed on the Singapore Exchange Securities Trading Limited on 25 July 2006, is Singapore's first independent industrial real estate investment trust (REIT). CIT invests in quality income-producing industrial properties and has a diversified portfolio of 43 properties valued at S\$880.4 million (as at 30 September 2009), strategically located across Singapore.

The Manager's objective is to provide unitholders with a stable and secure income stream through the successful implementation of the following strategies:

- Prudent capital and risk management;
- Proactive asset management;
- Value enhancing investments and disposal of non-core assets.

Cambridge Industrial Trust Management Limited, the Manager of CIT, is owned by three strategic sponsors namely National Australia Bank Group ("NAB") (56%), Oxley Group (24%) and Mitsui & Co., Ltd ("Mitsui") (20%). NAB, one of Australia's four largest banks, is an international financial services group that provides a comprehensive and integrated range of financial products and services. Oxley Group is an innovative private investment house specializing in real estate and private equity investments across Asia-Pacific. Mitsui is a company incorporated in Japan and listed on the Tokyo Stock Exchange in Japan. Mitsui also developed the Japan Logistics Fund Inc., a publicly listed REIT in Japan dedicated to investing in distribution facilities.
