Standard & Poor's Reaffirms CIT's Long Term Credit Rating of BBB- ; Outlook Stable

Singapore, 28 May 2015 – Cambridge Industrial Trust Management Limited (“CITM”), the Manager (“Manager”) of **Cambridge Industrial Trust** (“CIT”), is pleased to announce that Standard & Poor's Ratings Services (“S&P”) today reaffirmed its “BBB-/Stable/--” long term credit rating of CIT.

In its report dated 28 May 2015, S&P notes that the stable outlook factors in their expectation that CIT will maintain its business position, operate within its stated leverage range (debt-to-asset ratio of 30%-40%), and maintain its financial strength over the next 12-24 months.

S&P notes that CIT's business risk profile reflects the REIT's stable income streams, high occupancy rates, evenly distributed lease expiry profile, and fairly good asset and tenant diversification. S&P also commented that CIT has a more conservative approach to interest rate risk than its Singapore-based peers, with more than 85% of debt being fixed rate.

Commenting on the results, Mr Philip Levinson, CEO of CITM, remarked, *“We are delighted with S&P's rating which recognises CIT's efforts in improving its portfolio quality through active asset management, as well as our disciplined financial approach, which minimises interest rate risk and ensures adequate funding sources. We are well-positioned to continue delivering value to our Unitholders.”*
