Market Outlook and Strategy
Industrial Market Outlook

- According to ETC, industrial market is showing signs of stabilisation
  - Monthly rents in all market segments remained flat q-o-q
- According to the Ministry of Trade and Industry, Singapore's economy grew 3.8% y-o-y in 2Q2018, due to improved performance in the manufacturing sector
- Supported by the Government, more advanced manufacturing industries may contribute towards demand for space
  - Governments plans are to move industrial market up the value chain
  - Change in business models of industrials may shift demand towards high-tech developments and business parks
- According to CBRE, 2H2018 might potentially see stronger leasing volume which may boost occupancy
  - Paired with moderating pipeline supply from end 2018 onwards, the improvements to volume and occupancy are expected to mitigate the rate of rental decline
  - However macroeconomic concerns over U.S and China trade tensions remain

Our Long-Term Strategy

Our three-pronged strategy focuses on optimising Unitholder returns while reducing risks

Organic Growth
- AEIs to unlock value and attract high-valued tenants
- Pro-active asset management to optimise investor returns
- Divest non-core assets and redeploy to higher value-adding properties
- Enhance tenant base by leveraging Sponsor networks

Acquisition and Development Growth
- Yield-accretive, scalable, value-enhancing acquisition opportunities in Singapore
- Potential pipeline of assets from ESR
- Exploring opportunities to participate in development projects, either individually or in JV with ESR

Capital Management
- Debt to Total Assets between 30- 40%
- 100% unencumbered
- Well-staggered debt maturity profile
- Diversify funding sources into alternative pools of capital
- Broaden and strengthen banking relationships
Looking Ahead: Organic Growth

1. Unlocking Value in Unutilised Plot Ratio
   - Potential development of more than 1 million sq ft of unutilised plot ratio (c.20% of portfolio GFA)

   7000 Ang Mo Kio Avenue 5
   c.495,000 sq ft untapped GFA at overground carpark for potential development

   3 Tuas South Avenue 4
   c.500,000 sq ft of untapped GFA at JTC Tuas Bio-Medical Park

2. Rejuvenation of Assets

   Before
   After

   30 Marsiling Industrial Estate Road 8
   Upgrading of the asset to a High-Specs Industrial building

   Feasibility Studies Currently In Progress

   Upgrading and improvement of building specifications
   Change of building use to align with current market trends
   Redevelopment and amalgamation of adjacent sites to enjoy economies of scale

Note:
(1) Artist Impression.
Looking Ahead: Acquisition Growth

1. Acquisition of Modern and In-demand Industrial Assets

   ▪ Acquisition of ramp-up logistics facility @ Tampines LogisPark
   ▪ Estimated purchase price of S$95.8m\(^{(1)}\)
   ▪ Valuation of S$96.4m\(^{(2)}\)
   ▪ Expected completion 4Q2018

2. Potential Merger with VIT\(^{(3)}\)

   - Transaction Rationale
     - Immediate Access to Business Park and High-Specs Sectors
       - Immediate access to S$0.9bn worth of Business Park assets
     - Enhanced Portfolio Quality
       - Diversified portfolio that is more resilient to market cycles with a network of 56 properties
     - VIT Manager’s Track Record in AEI
       - Aligned with ESR-REIT Manager’s Portfolio Enhancement Strategy
     - Further added value to ESR-REIT Unitholders

Note:
(1) Includes the consideration of S$86.2 million and estimated upfront land premium payable for the balance lease term of S$9.6 million. (2) Independent valuation conducted by Savills Valuation and Professional Services (S) Pte Ltd as at 9 April 2018. (3) If the resolutions pertaining to the Merger are passed at the EGM and other relevant approvals are obtained, Unitholders’ next distribution entitlement is expected to be from 1 July 2018 up to the Effective Date of the Scheme.
Looking Ahead: Capital Management

- **S$155m bond expiry in November 2018**
  - Undrawn available committed RCF of S$202.0m provides financial flexibility
- **Committed termsheets obtained to refinance loan facility expiring in 2019**

**Debt Maturity Profile (as at 30 Jun 2018)**

Important Notice

This material shall be read in conjunction with ESR-REIT’s results announcements for the financial period ended 30 June 2018.

Important Notice

The value of units in ESR-REIT ("Units") and the income derived from them may fall as well as rise. Units are not investments or deposits in, or liabilities or obligations, of ESR Funds Management (S) Limited ("Manager"), RBC Investor Services Trust Singapore Limited (in its capacity as trustee of ESR-REIT) ("Trustee"), or any of their respective related corporations and affiliates (individually and collectively "Affiliates"). An investment in Units is subject to equity investment risk, including the possible delays in repayment and loss of income or the principal amount invested. Neither ESR-REIT, the Manager, the Trustee nor any of the Affiliates guarantees the repayment of any principal amount invested, the performance of ESR-REIT, any particular rate of return from investing in ESR-REIT, or any taxation consequences of an investment in ESR-REIT. Any indication of ESR-REIT performance returns is historical and cannot be relied on as an indicator of future performance.

Investors have no right to request that the Manager redeem or purchase their Units while the Units are listed. It is intended that investors may only deal in their Units through trading on Singapore Exchange Securities Trading Limited (the “SGX-ST”). Listing of the Units on the SGX-ST does not guarantee a liquid market for the Units.

This material may contain forward-looking statements that involve assumptions, risks and uncertainties. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, competition from similar developments, shifts in expected levels of occupancy or property rental income, changes in operating expenses (including employee wages, benefits and training costs), governmental and public policy changes and the continued availability of financing in amounts and on terms necessary to support future ESR-REIT business. You are cautioned not to place undue reliance on these forward-looking statements, which are based on the Manager’s current view of future events.

This material is for informational purposes only and does not have regard to your specific investment objectives, financial situation or your particular needs. Any information contained in this announcement is not to be construed as investment or financial advice, and does not constitute an offer or an invitation to invest in ESR-REIT or any investment or product of or to subscribe to any services offered by the Manager, the Trustee or any of the Affiliates.
